

El Principe/ the Prince (Spanish Edition)

El Principe, de Nicholas Maquiavelo, es una obra clasica en materia politica y de gran trascendencia dentro de la cultura occidental. Maquiavelo es, ademas de un gran teorico del pensamiento politico, y uno de los grandes prosistas en lengua italiana del s. XVI. Atacado por muchos y defendido tambien con firmeza, Maquiavelo nos demuestra su talento de escritor y la forma de conseguir y mantener el poder.
