

## Elan Meets Rafa Volume 5: A boy love story with a pen and a cat.

This is a very different kind of comic. Elan Meets Rafa isn't fantasy, superhero, or yaoi/anime. It is a simple story about two boys finding love amidst cultural and class differences. Volume 5: Elan and Rafa have reached an impasse both are sure that the other will leave and neither can speak the love they feel when outside forces suddenly interrupt their affair. Also, no one ever listens to the cat.
