

## Craft Your Stash: Transforming Craft Closet Treasures into Gifts, Home Decor & More

The Creative Crafters Guide to Getting More Out of Your Stash If you love crafting, you love craft supplies. You have an ever-increasing stash of fabulous fabric, paper, stamps, beads, ribbons, glitter, paints, and more. But if your treasure trove has grown so much that every bin, box, and closet is overflowing, it may be time to stop collecting and start creating! This ultimate craft supply hoarder's guide is packed with creative inspiration and ideas for getting the most out of your craft supply stash. Use this book to take control of your crafting life and start using your materials like a pro. Whether you use a dedicated craft room or just a corner of the kitchen table, you'll learn how to maximize your space, manage your materials, and make time to make. Author Lisa Fulmer reveals the secrets of creative crafters, from organization and color theory to basic techniques. She challenges you to use up what you've got on hand, with creative stash-busting projects organized by stash type. -Tips for storing and organizing craft supplies in any size space -Creative stash-busting projects to use up what you've got on hand -basic techniques that every crafter needs to know -Tips on color theory and creating balance and texture -How to use all of your crafting materials like a pro
