

# Pastoralia

From the New York Times bestselling author of Tenth of December, a 2013 National Book Award Finalist for Fiction. Hailed by Thomas Pynchon as graceful, dark, authentic, and funny, George Saunders now surpasses his New York Times Notable Book, *CivilWarLand in Bad Decline*, with this bestselling collection of stories set against a warped, hilarious, and terrifyingly recognizable American landscape. One of Entertainment Weekly's Ten Best Books of the Year. Artful and sophisticated... truly unusual. Imagine Lewis's Babbalanza thrown into the backseat of a car going cross-country, driven by R. Crumb, Matt Groening, Lynda Barry, Harvey Pekar, or Spike Jonze. -- The New York Times. Saunders is a provocateur, a moralist, a zealot, a leftist, and a funny, funny writer, and the stories in *Pastoralia* delight. Were very luck to have them. -- Esquire
