

Storm Warnings (Five Star Mystery Series)

Fans of mystery, crime, fantasy, and horror will love this collection of stories by internationally acclaimed mystery writer Nancy Pickard. From a never-before-published story sure to thrill readers to eight other award-winning cautionary tales, these nine stories are linked by signs of foreboding, paths that lead to unexpected places, and the craftiness of human nature—showing that men and women, when faced with the subtle portents of disaster, may ignore warnings at their own peril.
