

For the Temple, A Tale of the Fall of Jerusalem (Works of G. A. Henty)

Mr. Henty weaves into the record of Josephus an admirable and attractive story.

The troubles in the district of Tiberias, the march of the legions, the sieges of Jotapata, of Gamala, and of Jerusalem, form the impressive and carefully studied historic setting to the figure of the lad who passes from the vineyard to the service of Josephus, becomes the leader of a guerrilla band of patriots, fights bravely for the Temple, and after a brief term of slavery at Alexandria, returns to his Galilean home with the favor of Titus.---11 illustrations with map/plan of the siege of Jerusalem
