

Forged: The World of Nightwalkers

When Katrina Haynes discovers a large man lying wounded in the snow, she fears he is at death's door. But as Kat tends to his injuries, she quickly realizes that they're the least of her worries. With an irresistible Scottish brogue and a strange ability to harden his chiseled body like a statue, the stranger awakens a desire she is unable to resist—and a fascination about the intriguing world he exists in. As a proud Gargoyle, Ahnvil must safeguard the Nightwalker to whom he's sworn fealty. But as this bewitching woman nurses him back to health, arousing an almost uncontrollable hunger within him, he is possessed with the fierce impulse to protect her as well. And he will have to shield her—from by coming to his rescue, Kat has placed herself in the middle of a supernatural war ... and exposed herself to dark, powerful magic. As human and Gargoyle forge an unbreakable bond, Kat will discover that despite his intimidating strength and size, one thing Ahnvil does not possess is a heart of stone.
