

## Serbia, Montenegro & Kosovo 1:385,000 Travel Map, waterproof, GPS-compatible, REISE

Serbia, Montenegro & Kosovo 1:385,000 Travel Map, waterproof, GPS-compatible, REISE This map is waterproof and tear-resistant, durable enough to survive time spent in the rucksack, pocket or on a restaurant table. It is double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information. Road and rail networks are easy to see on a clear base which presents topography by altitude colouring with contours, spot heights, mountain passes and names of mountain ranges. Road network includes unsurfaced local roads and tracks, and shows driving distances on main and secondary roads. National parks and protected areas are marked and symbols highlight various places of interest, including archaeological remains, castles and churches, viewpoints, spas, beaches, etc. Within northern Serbia most towns and villages have names in both Roman and Cyrillic alphabets. South of Belgrade, including in Kosovo (shown as part of Serbia) and in Montenegro, only main towns and selected smaller places are in both scripts, the rest only transliterated. The map has a UTM grid, plus a latitude / longitude grid at intervals of 20, UTM margin ticks, and an extensive index of localities. Multilingual legend includes English, high quality German cartography.
