

Giant Robot Warriors

Acclaimed writer Stuart Moore (Lone, Zendra) and hot artist Ryan Kelly (Lucifer) present a political satire for the 21st century! Meet the U.S. Department of Giant Robot Warriors an underfunded, overburdened team that has to jump into action when a tiny Middle Eastern country suddenly achieves Giant Robot technology. Rufus Hirohito, head of the GRW, has his hands full with a temperamental boss, an attractive CIA liaison, and a robot thats just not ready for combat. And hey just whats wrong with the President, anyway?
