

JASPER PARK LODGE In the Heart of the Canadian Rockies

Jasper Park Lodge is more than the history of a hotel - it is also the story of the railway to Jasper National Park and the development of tourism, of entrepreneurs with a vision, of wild animals on the doorstep, of the rich and famous, of royalty and movie stars, of courage and dedication in the face of disaster. The Lodge had humble beginnings in 1915. The story of Jasper Park Lodge is lavishly illustrated with historic photographs.
