Two volumes of the Calder family series, a romantic western saga in which one man determines to realize his dream by heading north from the Texas prairie to wrest a fortune from the Montana land. In the second book Chase Calders son, Webb Calder fights the newcomers who rush to claim grasslands where Calder cattle graze. But he can not resist Lilli -- a proud and lovely young immigrant, loyal to the homesteaders cause, and to her husband. Still, a Calder keeps what he has and gets what he wants. Where a man stands for what he believes, there Stands a Calder Man.
