

Her Unexpected Hero (Unexpected Heroes)

Alyssas modeling career came to an abrupt end when her manager boyfriend emptied her bank account and ruined her professional reputation. Now shes heading to a new town in Montana to rebuild her life-if she can even get there (stupid delayed planes!). But things are looking up when shes upgraded to first class and a mysterious stranger sits down next to her. Jackson Whitman doesnt believe in love, or commitment, or forever-not since he lost his wife and daughter. But the beautiful woman sitting next to him at the gate has him rethinking that position. Can he convince her to be his for the night? Or will she convince him to be hers for a lifetime?Contains mature themes.
