

Travels Bible Italy, Egypt, Greece, Asia Minor, Syria, and Palestine (Classic Reprint)

Verily, of the making of books there is no end. So let it be of all the true, good, and useful. Truth and virtue are really mighty; yea, stronger far than base fiction or charming vice, and must finally prevail. Godliness, too, is ever profitable. We have the promise: it is only a matter of time. O, then, let us raise high the banner of the Cross, and roll back the raging tide of error, vice, and destruction! Sin and Satan are yet running riot. Can we not timely interest and benefit the dear youth and the reading community with Bible truth, scenes, food, and facts of real life, with good hopes of the future? Let us ever try, and trust, and pray, and watch, and rejoice. While quite young I began to attend the Sunday school, to read the Bible and religious books, and also to peruse history, travels, and scientific works.
