

Hostage to Pleasure (Psy-Changelings, Book 5)

From the New York Times bestselling author of *Shards of Hope*, *Shield of Winter*, and *Heart of Obsidian*. Lora Leigh calls Nalini Singh's Psy/Changeling series a sensual, dangerous adventure not to be missed. Now, as the deadly Psy Council tightens its grip, a rebel Psy scientist finds herself at the mercy of a changeling who has sworn vengeance against her kind... Separated from her son and forced to create a neural implant that will mean the effective enslavement of her psychically gifted race, Ashaya Aleine is the perfect Psy - cool, calm, emotionless... at least on the surface. Inside, she's fighting a desperate battle to save her son and escape the vicious cold of the PsyNet. Yet when escape comes, it leads not to safety, but to the lethal danger of a sniper's embrace. DarkRiver sniper Dorian Christensen lost his sister to a Psy killer. Though he lacks the changeling ability to shift into animal form, his leopard lives within. And that leopard's rage at the brutal loss is a clawing darkness that hungers for vengeance. Falling for a Psy has never been on Dorian's agenda. But charged with protecting Ashaya and her son, he discovers that passion has a way of changing the rules...
