

Hot Pursuit

The sun is shining, temperatures are rising, and Maggie's about to have the holiday romance of a lifetime. The heat is on, but can Maggie stand the pace? Maggie Morgan has been longing to find Mr Right all her life but even she didn't expect him to be delivered to her door, giftwrapped in a skimpy towel, one sunny summer morning. Sexy Nick Lucas seems almost too good to be true and maybe he is. Arriving out of nowhere, he seems to have no past, no family, no history: things just don't add up. But then again he's not the first man Maggie's been out with to have led a double life. As Nick's past starts to catch up with him, Maggie becomes embroiled in an exciting cat-and-mouse chase across the country. Temperatures rise and passion sizzles but although Maggie has the hots for Nick, can she take the heat?
