

# How To Buy And Sell Real Estate In The Bahamas: Insiders Guide

UPDATED FOR 2016! An experienced real estate investor gives step-by-step advice for buying and selling real estate in the Bahamas, including local laws and practices, pitfalls to avoid, and tips for saving money. Experts from each major Bahamian island describe the communities and developments on their island, what real estate is available in each, and at what price. Questions answered include: \* Is the Bahamas a safe place to invest? \* How is the buying and selling process different from in the U.S.? \* What kind of financing is available? \* How can I obtain legal residency in the Bahamas? \* What should I expect if I decide to build? \* What websites should I use for research, buying, and selling? \* How can I save on legal fees, commissions, and taxes? \* What are the step-by-step instructions for buying and selling? Its a GREAT book for those of us going through this process. In fact, I wish I had one for buying property in the U.S. Your step-by-steps were great and easy to follow. Caroline W., Connecticut.
