

## Hunters Way

Homicide detective Tori Hunter was used to doing things her way. But even after having six different partners in seven years, Tori isn't prepared when she's forced to team up with the hot-tempered Samantha Kennedy. Samantha, on the other hand, is trying to juggle a new job, a demanding boyfriend, and now finds herself with an even greater challenge being partnered with the most difficult detective in the entire squad. After a brief terrorist scare disrupts their serial killer investigation, the two women find themselves growing closer. Samantha begins to question the relationship with her longtime boyfriend, and Tori, never one to allow anyone to get close, begins to feel her defenses slipping in Sam's presence. A serial killer and drug deals gone bad; the two detectives struggle with their feelings, trying to maintain their professional relationship while keeping their nearly flammable physical relationship in check. With *Hunters Way*, Gerri Hill masterfully blends suspense and intrigue with her unique style of romance.
