

Bite Hard (The Soft Nightmare) (Volume 1) (Italian Edition)

Prendete un vampiro millenario, ma non particolarmente intelligente e un procuratore della Repubblica con un passato decisamente biblico e fuori dal comune. Aggiungete una spolverata di M/M e di trash allo stato puro. Blasfemia quanto basta. Bite Hard non è un romanzo serio. Non è un esercizio di stile, un romanzo di formazione o un intricato intreccio narrativo. Bite Hard è un libro trash, e come tale va considerato. O crack, se siete avvezzi a terminologie di strada. Scritto per far ridere, ecco che cose. Un coacervo di citazioni a citazioni dentro le citazioni. Ce di tutto qua dentro, insieme al sesso gay, la blasfemia e il linguaggio volgare: ce Tarantino, Vampiri la Masquerade, Alien, Mulan, Angel Sanctuary e soprattutto ce Dogma, insieme a una miriade di altre cose. Il paradiso del nerd medio.
