

In Big Trouble (Tess Monaghan)

Meet Tess Monaghan - ex-Baltimore Star reporter and accidental PI - as she investigates cases of murder, corruption and injustice in Charm City ...What would you do if the man you loved and lost was suddenly on the front page of the newspaper under the heading: IN BIG TROUBLE? If you're Tess Monaghan, P. I., then you go searching for answers, even if they reopen painful wounds and could lead you into the path of a deadly killer. Tess is a heroine with a nose for what she is not being told, and she is never content with half the story. These Baltimore novels are effective thrillers, because they are stories about wanting to know what happens next. Times Literary Supplement
