

In the Deep Midwinter: A Novel

November, 1949: In the aftermath of his brother James' death, Richard MacEwan's life is suddenly rocked by secrets involving his wife Sarah and daughter Anna. Among his bachelor brother's papers, Richard discovers a letter from Sarah that hints at an infidelity. Then there is Anna's affair with a married man, Charles Norden, which threatens to change her life forever. The story of Richard, Sarah, Anna, and Charles--along with the troubling legacy of James--is one of faith and doubt, profound moral and spiritual conflict, and the intricate bonds that hold families together.
