

Incidents of Travel in Central America, Chiapas and Yucatan

An instant bestseller when first published in 1841, Stephens work--along with Catherwoods drawings--continues to draw readers who want to see the ruins of Copan, Quirigua, Palenque, and Uxmal as they first saw them on muleback over 150 years ago. This new edition adds a selection of historical and modern photographs--most never before published. 80 illustrations. Line drawings.
