

Silent Melody

From the legendary New York Times bestselling author of *Heartless* comes an exquisite Georgian romance of a transcendent love, without doubt, one of the most romantic novels ever written.*Lady Emily Marlowe is beautiful, independent, and unspoiled. Deaf since childhood, she appreciates her family's efforts to nurture her spirit, but the man they've chosen for her betrothal can never fulfill her. The only one Emily has ever desired is bold and reckless Lord Ashley Kendrick. Her childhood amour inspired her fantasies and vowed never to forget hereven as he left her for a new life in India and a new love.Seven years and countless dreams later, Ashley has returned a desolate widower to Bowden Abbey and, true to his promise, to Emily. Yet his heedless proposal of marriage has left her unexpectedly conflicted. Though the heat of passion still burns, Emily fears that its only a sense of duty not love that has brought him to bended knee. And what is she to make of those seven lost years clouded in secrets too dark for Ashley to share?For Emily, her greatest and only love now becomes one worth fighting for, one of startling revelations and second chances, and one, like a melody, too beautiful for words....
