

Kids are Awful

In his book, Aaron Smith highlights some profound truths about children—they are awful. Kids make messes, they never listen, and what's more, kids seem to love being so annoying. In the end, though, we somehow find a way to love the kids in our lives. Kids are Awful is a hilarious reflection on the terrible moments we have all had with children. So, the next time a kid is being awful, give them a hard look in the mirror with this book.
