

## Is the Bitch Dead, Or What?: The Ritz Harper Chronicles Book 2

DJ Ritz Harper used every trick in the book to become a media darling in *Drama Is Her Middle Name*, shock-jock Wendy Williams's expose of a life she knows better than anyone. Playing a clever trick of her own, Williams left her heroine on the brink of death at the end of the novel. Now the second installment of the chronicles reveals what Williams's readers are dying to know: *Is the Bitch Dead, or What?* The drive-by shooting that brought her down forces Ritz to look back on her climb to the top and the people she loved, lost, used, and abused along the way. There's the brief dalliance with Tracee, her best friend, and the romance with a man with some secrets of his own; the loss of her beloved Aunt M; and the recent appearance of the father who abandoned her and is now demanding a financial payoff and fifteen minutes of fame. At the heart of it all is Ritz's need to figure out where the real-life Ritz ends and the radio bitch begins. For the huge audience hooked on *The Wendy Williams Experience* and readers itching to find out what happens to the over-the-top star of *Drama Is Her Middle Name*, *Is the Bitch Dead, or What?* is packed with all the irresistible shocks and insider dish that make Williams the hottest voice in America today.
