

The Dead Man (Jack Davis Thrillers Book 2)

If you like John Grishams twists and turns and James Pattersons page-turning thrills, youll love Joel Goldmans The Dead Man, the second book in the Jack Davis Thriller series! A masterful blend of rock-solid detective work and escalating dread. The Dead Man is both a top-notch thriller and a heart-rendering story of loss, courage and second chances. I loved it. Robert Crais, NYT Bestselling Author The Dead Man is one of those rare novels you will be tempted to read twice: the first time to enjoy and the second time to appreciate how Goldman put the pieces together. The hours spent on both will be more than worth it. Joe Hartlaub, Bookreporter.com

When people in a study of the human brain start to die exactly as they have dreamed they would die, Jack Davis crosses paths with a serial killer, taking him onto both sides of the law and into the path of a murderers terrifying rage. Think John Grisham meets James Patterson and youve got Joel Goldman in The Dead Man! Goldmans realistic setting, fast-paced dialogue and chilling plotting will have you wanting to read more in this gritty suspense series. Cindy Bauer, bookpleasures.com

The Dead Man has all the plots and twists one may expect from a Grisham novel and the pace of a James Patterson crime story. Carolyn LeComte, Curledup.com It doesnt get any better than that, so grab The Dead Man and dont let go! And use your other hand to grab Shakedown, the first book in the Jack Davis Thriller series. When FBI Agent Jack Davis investigates a mass murder, a leak of crucial information and his imploding personal life throw him into the ultimate danger zone - where truth lies at the heart of betrayal Dont miss the Lou Mason Thriller series by Joel Goldman featuring trial lawyer Lou Mason. When a troubled young woman turns herself in for murder, Lou Mason takes the case - yet something about her story doesnt add up. To catch a killer, Lou dives into a sordid

world of money, drugs and a devastating black market where the price for the truth is paid in blood. A riveting, page-turning romp in the tradition of James Patterson! Ryan Kowalczyk denied slaughtering a young couple even after his best friend turned against him, sending him to death row. In Deadlocked, Lou Mason is hired to prove Ryans innocence and killer does whatever it takes to stop him. The deeper Mason probes, the greater the danger - until the past and present collide in an explosion of deceit, corruption and murder.
