

## Death Before Dishonor

From hip hop kingpin and #1 New York Times bestselling author 50 Cent comes a novel that dares to tell the truth about the Lifeste lovers, the haters, the guns, the money, the highs, the lows The Street, for real. ONE REASON TO LIVE. THREE WAYS TO DIE. Trill Johnson has five years of jail time under his belt, two women trying to get inside his pants, and one mission: Get the suckers who sold him out. And get em good. Sunni James will do anything for Trill. Lie, cheat, steal. Even risk losing her successful beauty salon to save him from the mean streets of Richmond. Precious Pay will do anything for Trill, too. She cribbed his kid while he did his time; now she wants Trill to pay for the leg she lost in a robbery gone wrong. But when love is a lie, who do you trust? When the deals turn dirty, who do you betray? And when the guns start blazing, whos going down?
