

James Thurber: Writings & Drawings (including The Secret Life of Walter Mitty) (Library of America)

James Thurber, whimsical fantasist and deadpan chronicler of everyday absurdities, brought American humor into the 20th century. His comic persona, a modern citydweller whose zaniest flights of free association are tinged with anxiety, remains hilarious, subtly disturbing, and instantly recognizable. Here, in over 1000 pages, editor Garrison Keillor presents the best and most extensive collection ever assembled. Over 100 pieces include *The Secret Life of Walter Mitty* and *The Catbird Seat*, the brilliantly satirical *Fables for Our Time*, the classic *My Life and Hard Times*, and the best of *The Owl in the Attic*, *Let Your Mind Alone!*, *My World* and *Welcome to It*, and the other famous books. Plus 500 wonderful drawings, including *The Seal in the Bedroom* and celebrated sequences like *The Masculine Approach* and *The War Between Men and Women*. Rounding out the volume is a selection from *The Years with Ross*, a memoir of the New Yorker publisher, and a number of wonderful early pieces never collected by Thurber.
