

La casa Verde (Spanish Edition)

One of the most significant and passionate novels by this acclaimed author. The story develops in different times, looking at reality from different angles that come together with complex narrative techniques and a fluid and precise style. Description in Spanish: Novela ejemplar del boom latinoamericano, que ocurre en dos lugares muy alejados entre si, Piura, en el desierto del litoral peruano, y Santa Maria de Nieva, una factoria y mision religiosa perdida en el corazon de la Amazonia. Simbolo de la historia es la mitica casa de placer que don Anselmo, el forastero, erige en las afueras de Piura.
