

## La Cuarterona/The Quadroon: A dual language edition, Spanish/English (Spanish Edition)

A dual language edition of Alejandro Tapia y Riveras masterpiece: set in Havana in the mid-19th century, the drama presents the obstacles to a mixed-race relationship between a son of the nobility and a woman of African ancestry. This unique version was edited and annotated by Dr. J. Delgado-Figueroa, author of *Our Father Takes and Bride* and *Lamentos Boricanos*, former professor of Spanish literature and linguistics at the universities of Minnesota, Puerto Rico and South Carolina, as well as a researcher at Carnegie Mellon Universitys Software Engineering Institute. This edition includes Spanish-language biographical notes, a select bibliography and an essay by Dr. Delgado-Figueroa on racism in literature, popular culture and communication media in Cuba and Puerto Rico from the sixteenth century to the present.
