

Laid Bare: Brown Family, Book 1

Its been 10 years since clean-cut, sexy-as-hell police officer Todd Keenan had a white-hot fling with Erin Brown, the provocative, wild rocker chick next door. Their power exchange in the bedroom got under his skin. But love wasnt in the cards just yet.... Now, life has thrown the pair back together. But picking up where they left off is tough, in light of a painful event from Erins past. As Todd struggles to earn her trust, their relationship takes an unexpected and exciting turn when Todds best friend, Ben, ends up in their bed - and all three are quite satisfied in this relationship without a name. As the passion they share transforms Erin, will it be enough to help her face the evil she thought she had left behind?
