

Life Blood

A terrifying medical thriller in the bestselling tradition of Michael Crichton and Robin Cook. It lies hidden deep in the mist-shrouded rain forest of Central America. A place where a brilliant fertility doctor fulfills dreams for some and creates chilling nightmares for others. Now, filmmaker Morgan James is about to journey straight into the heart of a dark conspiracy. Where a bizarre human experiment comes at a terrible price, and where she may be the next to pay with her ... LIFE BLOOD.
