

How To Draw Manga Volume 14: Colorful Costumes

This volume was inspired by the young women found working in cafes and restaurants clad in those absolutely charming uniforms. Snowy white aprons, and crisply starched dresses - haven't we all felt the urge at some time to try these costumes out on our own, characters? Most likely all artists involved in original character design have. This guide features various popular uniforms and costumes and offers explanations on details based on careful research on the actual dress. Select an interesting uniform or costume to try on one of your own characters.
