

Essential Dominican Republic

A handy, pocket-sized guide featuring recommendations and helpful advice from expert travel writers. The guide is split into color-coded sections, including The Essence of, Planning, Best Places to See, Best Things to Do, and Exploring. There is helpful advice for planning a trip with information about when to go, getting there, being there, and getting around. The Exploring section divides the Dominican Republic into color-coded regions in accordance with the locator map on the cover flap. Hotels, restaurants, nightlife, and places of interest are grouped within each region, with grid references and cross-referencing to ensure that it is easy to find what one is looking for in each area. Entries within the guide have been researched by experts, and there are website addresses and practical information throughout.
