

Arkham Unveiled: Adventures and Background in the Home of Miskatonic University (Call of Cthulhu)

ARKHAM UNVEILED contains extensive background information about this New England town - written to be used by serious investigators as a base from which to further explore the mysteries of the Cthulhu Mythos. Pertinent buildings, useful people, and important locations are described in depth. A 17x22 Players Map of Arkham is bound into the back, and four new, thrilling adventures complete the package. These sinister tales make full use of the background materials and provide the utmost challenge to the players roleplaying and investigatory skills.
