

# LSAT Endurance Training: Five 4-Section Tests and Four 5-Section Tests Spanning Official LSAT PrepTests 51-60 (Cambridge LSAT)

Build Up Your Endurance When you take the LSAT, you will have to contend with five multiple-choice sections. In contrast, Official LSAT PrepTests consist of only four multiple-choice sections. Therefore, in order to build up your endurance to the appropriate level, it is important to take some exams that contain an added fifth section. One option is to take a section from one test and splice it into another four-section test. However, this is not optimal for two reasons: (1) you will likely know which section is unscored, and (2) knowing that the section doesn't count may keep you from giving it your all. Cambridge LSAT has simplified the process of incorporating five-section exams into your prep work. In this volume, we have taken the individual sections from PrepTest 52 and added one to each of PrepTests 57, 58, 59, and 60. The formatting is seamless, and without first glancing at the answer key, you will not know which section of each test is unscored. PrepTests 51, 53, 54, 55, and 56 have also been reproduced, each in its entirety.
