

# Manhattan LSAT Logic Games Strategy Guide (Manhattan LSAT Strategy Guides)

A fresh, innovative, and streamlined approach to the LSAT, featuring techniques geared towards students aiming for top scores. The Manhattan LSAT Logic Games Strategy Guide contains the best of the Manhattan LSAT strategies for tackling the logic games efficiently and flexibly. Every major game type is covered, along with drills on diagramming and full practice sessions. Oriented towards the latest trends in LSAT logic games, this strategy guide is truly cutting-edge. The logic games are neatly organized into different game types, and a strategy for approaching each type is presented, followed by drills designed to encourage mastery of the diagram system and the typical inferences for that game type. Each chapter begins and ends with a timed practice set using real LSAT logic game questions, along with full explanations. The Manhattan LSAT Logic Game Strategy Guide can serve as a stand-alone book or as part of a complete self-study program that includes the other Manhattan LSAT Strategy Guides, Online Class Recordings, and Practice Books. Special features include online access to additional practice problems.
