

The Place (Italian) (Italian Edition)

Mentre Jake Rayne sta viaggiando attraverso Idaho sulla sua Thunderbird del '57, un incidente devastante diventa il catalizzatore di un viaggio inaspettato. Da solo, nei boschi, con il corpo ferito e malconcio, Jake chiama aiuto, e l'aiuto che arriva cambia non solo la sua vita, ma tutta la sua realtà. Jake si apre alla consapevolezza delle possibilità. Le possibilità che abbiamo sempre saputo che avrebbero dovuto esserci, ma che non si sono mai mostrate. Sei disponibile ad avere un mondo dove la lingua non è una barriera e le persone comunicano telepaticamente, dove la libertà di guarire e di nutrirsi reciprocamente non è limitata a pochi eletti? Gary Douglas, l'autore di questo libro lo è. Per saperne di più su questo incredibile romanzo visita: www.accesstheplace.com
