

## Kevin Keller #4

Its time for the 2012 London Olympics and Kevin and his family score tickets to the event. This is old stomping grounds for the Kellers, so they get to revisit old friends and family. Kevin is excited to see his old friend Brian, whos competing as a runner. Kevin also meets an old friend who hes not sure is interested in him, but there to confuse matters is none other than Veronica, whos tagged along to help Kevin out. And we all know what happens when Veronica interferences - mayhem, of course, but the fun kind!
