

## Where the Heart Lives: A Milford-Haven Novel - Book Two

Book Two of the Milford-Haven Novels, based on the authors own hit BBC Radio Drama, reveals the complexities of life in a beautiful coastal town and its several residents, including protagonist Miranda Jones. She attempts to map her life balancing her passion for the art that is bringing her success, and the temptation to date a man who hasn't been honest about who he is. While she explores Los Angeles for research, a missing-person investigation launches in Milford-Haven. Author Mara Purl is a former soap opera celebrity from Days of Our Lives, as well as a former journalist from the London Financial Times and the Associated Press. Through her novel series she has established a loyal following in the Womens Fiction genre. Short stories appear as prequels to each novel, extending the five-book series.
