

The Cape Ann: A Novel

Lark Erhardt, the six-year-old narrator of *The Cape Ann*, and her fiercely independent mother dream of owning their own house; they have their hearts set on the Cape Ann, chosen from a house catalog. But when Lark's father's gambling threatens the down payment her mother has worked so hard to save, Lark's mother takes matters into her own indomitable hands. A disarmingly involving portrait of a family struggling to stay together through the Great Depression, *The Cape Ann* is an unforgettable story of life from a child's-eye view.
