

MirrorMask (childrens edition)

Helena is about to embark on a most amazing journey. Raised in a family of circus performers, she's always dreamed of leading a more ordinary life. But when haunting music draws her into a strange and magical realm, one where anything can happen, her real life is stolen by a runaway from the other side. Helena must rescue the realm from chaos in order to win back her own not-so-ordinary life. *MirrorMask* is a breathtaking film written by bestselling author Neil Gaiman and brought to life through the vision of acclaimed artist and director Dave McKean. This original novella is Helena's tale in her own voice, written by master storyteller Neil Gaiman and accompanied by original art by Dave McKean and images from the film; it is a stunning and magical journey.
