

## Miss Brandts Story (Schoolmarm Sheriff Book 4)

Martha Ann Brandt finds herself married to her former boss who has been a widower for only a few weeks. She had been his wife's personal maid. But out here in the newly settled West, single women are hard to find. She does not realize that he has married her simply because he needed to have someone oversee his three children as well as his household staff. She does not learn this truth until it is too late, and she is now Mrs. Smith-Rogers, wife of the wealthy banker. How she regrets not having first asked God what He wanted her to do. But she is resolved never again to make the mistake of leaving God out of her decisions.
