

# Modern Book Collecting: A Basic Guide to All Aspects of Book Collecting: What to Collect, Who to Buy from, Auctions, Bibliographies, Care, Fakes and ... Investments, Donations, Definitions, and More

Modern Book Collecting offers advice that answers all the basic questions a book lover and collector might have: what to collect and where to find it, how to tell a first edition from a reprint, how to build an author collection, how to get the best price from dealers, how to understand the prices and rarity of books, and more. With a handy dictionary of terms used in auction and dealer catalogs and a new section on Internet resources, this is a must-have guide for book lovers.
