

Monsieur Pamplemousse on Vacation (Monsieur Pamplemousse Series)

The celebrated creator of Paddington Bear creates another recipe for adventure for his heroes Monsieur Pamplemousse and Pommes Frites. Monsieur Pamplemousse is looking forward to a well-earned break in the South of France courtesy of his employer - all he has to do is collect a piece of artwork for Le Guides Director. But when his contact fails to show and a dismembered body is washed up outside the hotel, the holiday mood evaporates. As Pamplemousse struggles with the case (and with modern technology) his ever-faithful bloodhound Pommes Frites is on hand offering proof why, during his time with the Paris Surete, he was one of their top sniffer dogs.
