

Night Falls on the Wicked (Moon Chasers)

The next thrilling novel in Sharie Kohlers popular Moon Chaser series featuring sexy werewolves and seductive witches and demons. Darby has spent the last three years of her life running from the demons that seek to possess her. Shes walked away from all friends and family for fear that she will drag them too close to the danger forever nipping her heels. As a white witch, demons seek to possess her and use her as Satans instrument on earth. Determined to never be a device for evil, she lives life below the radar and stays one step ahead of the evil hunting her. Except theres more than one evil lurking in the shadows.
