

The Run (Will Lee)

A respected senator from Georgia, Will Lee has loftier aspirations. But a cruel stroke of fate thrusts him onto the national stage unexpectedly, and long before he is ready for a national campaign. The road to the White House will be more treacherous and deadly than Will can imagine. A courageous and principled man thrust into the spotlight, he suddenly finds himself the target of clandestine enemies who will use all their money and influence to stop him ... dead. Now Will Lee isn't just running for president, he's running for his life.
