

Ms. Marvel Vol. 5: Super Famous

Shes your new favorite. Shes everyones new favorite. And now shes joining the big leagues. Look out world, Kamala Khan is officially an Avenger! But will being one of Earths Mightiest Heroes be everything she imagined? Or is life as a celebrity harder than she thought? But while saving the world is important, Jersey City still needs its protector too. A development company that co-opted Ms. Marvels face for its project might well have more in mind for gentrification than just real estate. Can Kamala take down the evil suits destroying her home without ruining her personal life? Speaking of which, who exactly is that with Bruno? Get back on board and cling on, Kamala Korps, the ride is about to get wilder than ever!
