

## Muscat Mini Map, 2nd (Explorer - Mini Maps)

The Muscat Mini Map may be small, but it crams the entire city of Muscat (mountains and all) into a super-handy reference map that you'll never leave home without. On one side you've got the Muscat overview map, which is helpful for planning your routes. On the other side, zoom in on the main areas to provide detailed maps that are essential for visitors and tourists alike. It's a useful addition to any pocket!
