

My Recent Visit to Sri Lanka

My visit to Sri Lanka was memorable and enjoyable regardless of the heat there. I started my tour in the city that was very good, people are good, food was excellent, great shopping places, markets and the beautiful seaside. I stayed there only for nonie days, I had to go to an other state as well. So, I stayed in Colombo one night and went to Jaffna the following day by a coach, I wouldnt say was very comfortable but was alright. I stayed in Jaffna for four days and headed back to Colombo. I think instead me telling you the whole story, you might like to get it and read Please read and enjoy it will make you decide to go to Sri Lank. I will be writing and other bigger big soon.
