

Nanny Returns: A Novel

More than four million readers fell in love with Nan, the smart, spirited, and sympathetic heroine of the #1 New York Times bestseller *The Nanny Diaries*. After living abroad for twelve years, Nan and her husband, Ryan, aka H.H., have returned to New York to get her new business off the ground and fix up their fixer-upper. To compound the mounting construction woes and marital chaos of Ryan announcing his sudden desire to start a family, sixteen-year-old Grayer X makes a drunken, late-night visit wanting to know why Nan abandoned him all those years ago. Soon she is drawn back into Mrs. X's ever-bizarre Upper East Side conclave of power and privilege in this eminently readable and surprisingly affecting (*Entertainment Weekly*) tale of what happens when a community that chooses money over love finds itself with neither.
